Re: Department of Defense (DOD) Fresh Fruit and Vegetable Program Sign-up

Your district may receive fresh produce through the **Department of Defense (DOD) Fresh Fruit and Vegetable Program** during the 2010-11 school year. If you want to participate, you will need to enroll **by May 31, 2010**. The funds for this program come from the state's USDA Foods allocation. Your district's participation will not change the amount of USDA Foods that you receive during the 2010-11 school year.

Signing up to participate in the DOD Program allows the Office of Public Instruction to determine entitlement amounts for 2010-11 distribution. Each enrolled district is given two entitlement amounts on a fair share basis. The first entitlement must be spent before September 30, 2010, and the second entitlement can be used during the remainder of the school year.

Thank you for helping us prepare for the 2010-11 school year by checking your participation choice below. Please mail or fax your response to Kennie Johnson **by Monday, May 31, 2010**.
